

Common questions

- **What if I make a mistake on the ballot?**
 - It happens. You can request a new ballot from the poll worker.
- **What if someone tries to intimidate or harass me?**
 - Tell a poll worker. If a poll worker is the problem, tell a poll watcher or call your county auditor.
- **If I don't have an ID for voting. Where do I get one?**
 - North Dakota Department of Transportation (DOT) driver's license – licensing sites.
 - DOT nondriver's ID cards – provided at no cost.
 - Tribal government issued identification (including those issued by BIA for a tribe located in North Dakota, any other tribal agency or entity, or any other document that sets forth the tribal member's name, date of birth, and current North Dakota residential address).
 - Long term care identification certificate (provided by North Dakota facility).
- **What if my ID doesn't have my current residential address?**
 - Most North Dakota driver's licenses and nondriver ID cards can be updated at no cost by calling the DOT at 701-328-4353 or online. The card itself does not need to be replaced, notifying DOT is enough.
 - Tribal IDs are updated with your tribal office. In this case the ID must be replaced.

NORTH DAKOTA VOTERS

**KNOW YOUR
RIGHTS**

ACLU
ND

GENERAL VOTING INFORMATION

- **Basic requirements:** You must be a citizen of the United States, a resident of North Dakota, have lived in a precinct for the 30 days before an election, and be 18 years of age or older.
- **Voting if you're attending college:** You can register to vote at your school address or your home address, whichever you consider your primary legal residence.
- **Voting with a criminal record:**
 - If you were convicted of a misdemeanor, you can vote, even if you are in jail.
 - If you were convicted of a felony, you can vote if you have finished your term of imprisonment. You cannot vote if you are in prison, but can if you have been charged with a crime and not convicted. People on parole or probation can vote.
- **Voting if you're experiencing homelessness:** You don't need a home to vote, but you do have to identify a place of residence (which can be a street corner, a park, a shelter, or any other place where you usually stay). You must also provide a mailing address.
- **Voting and ADA requirements:**
 - Call your county auditor right away and ask for accommodation or reassignment to an accessible polling place if you require it. All polling places are required to be compliant with the Americans with Disabilities Act.
 - If you feel you cannot vote on the day of election, fill out an absentee ballot application and mail it to your county election official as soon as possible.
 - If you need help because of a physical disability or because you have difficulty reading or writing in English, tell a poll worker when you get to the polling place. If you need instructions on how to use the voting equipment, ask a poll worker for help. They are *required* to help you anytime, even if you ask after entering the voting booth.
- **Moving and name changes:**
 - You must be a resident of your voting precinct for 30 days prior to the election. If you moved less than 30 days before the election, you won't be able to vote in the election.
 - If you moved at least 30 days before the election and have updated your address on your ID you can vote in the election.
 - If you're unable to update your ID ahead of Election Day, another document may be provided to the election official, such as:
 - A current utility bill
 - A current bank statement

- A check issued by a federal, state, local, or tribal government
- A paycheck
- A document issued by a federal, state, local, or tribal government.

Voting early and absentee

- **Can I vote before Election Day?** Yes, any person eligible to vote can do so, on or before Election Day by casting an absentee ballot or by casting a ballot in person at an early voting center.
- **How do I get an absentee ballot?** Absentee ballots are made available to military voters and their families stationed away from their North Dakota residence and residents residing overseas on the 46th day before the General Election.
 - Absentee ballots for all other North Dakota residents are made available on the 40th day before the General Election.
 - Get an application for an absentee ballot at vote.nd.gov.
 - Ballots must be returned the day prior to the election or to a ballot box by 7 p.m. on Election Day.

Voting on Election Day

- **Election Day 2020:** Nov. 3, 2020, with polls opening at 7 a.m. and closing at 7 p.m.
- **If you are running late:** You have the right to vote if you're in line or inside your polling place when the polls close.
- **Getting time off:** If your work schedule would make it practically impossible for you to vote in-person while the polls are open, your employer is required to give you time off to vote without penalty or deduction in your wages. Ask your employer for time off before Election Day and confirm the hours you get off.
- **Finding your polling location:** On Election Day you must vote at your assigned polling place. Find your polling place at vote.nd.gov.

Voter ID Laws

- All voters who appear at polling places must show proof of identification.
- Bring one of the four acceptable types of ID:
 - North Dakota driver's license or non-driver ID
 - A North Dakota long-term care ID certificate
 - Tribal ID
- **Your ID MUST have a residential address listed. P.O. boxes will not be accepted.**
 - Residents without a street address should contact their county's 911 coordinator to sign up for a free street address and request a letter confirming that address in order to vote.
 - Native American voters who do not currently have a residential street address assigned will be given the opportunity to locate their residence on a map either at the polls or when applying for an absentee ballot and can still have their votes counted. For more information about this process contact your tribal government or the office of the North Dakota Secretary of State.
- **If the information on the ID is incorrect, missing, or is a mailing address rather than a residential street address, the information may be updated by providing documentation that contains the correct information to the election official distributing the ballot.**
 - The documents that may be provided are a current utility bill; a current bank statement; a check or a document issued by a federal, state, local, or tribal government (including those issued by BIA for a tribe located in North Dakota, any other tribal agency or entity, or any other document that sets forth the tribal member's name, date of birth, and current North Dakota residential address); or a paycheck.
- **Voter affidavits are OUT. "Set-aside" ballots are IN.**
 - If you forget your ID or supplemental documents, you can vote using a "set-aside" ballot. If you vote this way, you have to return to the polling place on the day of the election or go to your County Auditor office before the meeting of the County Canvassing Board six days after the election, with appropriate proof that you are qualified to vote at that location.

VOTE LIKE YOUR RIGHTS DEPEND ON IT.

BEFORE VOTING TAKE THESE STEPS INTO CONSIDERATION

By educating your ballot, you can secure your ability to make an informed vote and address issues facing your community.

RESEARCH YOUR CANDIDATES

Before you choose your candidates, it is important to do your research! It's crucial to know their voting history, campaign values, and even previous campaign commitments to hold them accountable if elected.

Find more tips at aclund.org.

WRITE YOUR CANDIDATES

Letters and emails sent directly to your candidates can be extremely effective. Keep in mind that your message should be short and to the point, personal, and action oriented. **Find more tips at aclund.org.**

CALL YOUR CANDIDATES

Sometimes it's necessary to call your candidates on the phone to iron out an issue you may have, or to address questions you need answers to.

When calling, keep in mind that like with writing, your conversations should be tactful, personal, and action oriented. **Find more tips at aclund.org.**

MEET YOUR CANDIDATES

Meeting your candidates in person or over video call can be an effective way to build a relationship so they can understand what matters to their constituents.

When setting up your meeting, it is important to set a firm date and time, be prepared to discuss difficult topics, and do your research ahead of time. It's most helpful to determine prior to the meeting what you hope to get out of the interaction. Whether that be an official position on an issue you care about, or an answer to a statement they made publicly. Whatever it is, remember to map it out and plan out your follow up.
