GENERAL INFORMATION

- **Basic requirements:** You must be a citizen of the U.S., a resident of North Dakota, have lived in a precinct for the 30 days before an election, and be 18 years of age or older. Proof of ID is required to vote.
- **Voting if you're attending college:** Students can vote in person in their hometown, in their college town (by updating their identification to reflect the residential address in the college town), or by absentee/mail for either home or college town. If voting in your college town and your ID has not been updated to your college town address, you must accompany your non-updated ID with your student ID and a printed supplemental document issued by your school (letterhead or official seal) with legal name, birthdate, and college town address.
- **Voting if you're experiencing homelessness:** You don't need a home to vote, but you need to have a form of ND identification. A Relief Agency or Shelter Certification document can be used as supplemental documentation for valid IDs that do not have an updated or correct address.
- **Voting and ADA requirements:** All polling places are required to be compliant with the Americans with Disabilities Act. Call your county auditor if any issues arise on Election Day.
- **Voting if you're a new citizen:** Citizenship must be verified with the ND Department of Transportation. If "permanent" or "temporary" is listed on your state ID, you need to update it before Election Day to properly reflect your US Citizen status. You will need one of the following when visiting a Department of Transportation location to get an updated ID: valid, unexpired U.S. Passport or Card, Certificate of Naturalization, or Certificate of Citizenship.
- **Voting with assistance:** You are allowed to have a friend, guardian, or trusted person assist you at the poll in voting. This includes bringing someone to interpret.
- **Voting if formerly incarcerated:** If you aren't currently incarcerated for a felony conviction, you can vote. This includes people on probation or parole.

 - The signature on any ballot envelope must match application signatures.
 - Track your ballot's status at vote.nd.gov.

Voting on Election Day

- **General Election Day: Tuesday, Nov. 5, 2024.** Hours of polling places in North Dakota vary by county. Find schedules online at vote.nd.gov.
- **Finding your polling location:** Hours in North Dakota may vary by county, most polling locations are open between 7 a.m. and 7 p.m. Find your location's schedule at vote.nd.gov.
- **If you are running late:** You have the right to vote if you're in line. Once handed a ballot after the polls close you only have 30 minutes to cast your vote.
- **Getting time off:** If your work schedule would make it practically impossible for you to vote in-person while the polls are open, your employer is encouraged by state law to give you time off to vote, however time off may be without pay. Ask your employer for time off before Election Day and confirm the hours you get off.

 - If your ID has not been updated or you forget your ID or supplemental documents, you can vote using a "set-aside" ballot.
 - If you vote this way, you must present proper ID to the County Auditor in person or electronically before the meeting of the County Canvassing Board 13 days after the election. Information will be provided to voters using set-aside ballots.
- **Moving and name changes:**
 - You must be a resident of your voting precinct for at least 30 days prior to the election.

 - North Dakotans are able to update their address information via the Department of Transportation's website, dot.nd.gov. You don't necessarily need to get a new ID to vote, updating your information with the D.O.T. is sufficient.

 - A current utility bill
 - A current bank statement
