NORTH DAKOTA WORKERS

Don't feel safe at work because of COVID-19 after the North Dakota Smart Restart?

Here's what you can do.

- 1. Don't quit.
- 2. Document everything.
- 3. Call OSHA and file a signed complaint.
- 4. Call the North Dakota Dept. of Health and file a complaint.
- 5. Call the North Dakota Dept. of Labor and Human Rights and file a complaint.

Every worker deserves to be protected from COVID-19. Learn about what you need to keep yourself safe at work, then tell us how your workplace rates: aclund.org/safe-job.
